

**We'll do the work
while you play.**

HOME MAINTENANCE PROGRAM

Tate Enterprises is excited to offer our new Home Maintenance Program. After much customer feedback, we developed a unique package to provide worry-free home maintenance. Our Home Maintenance Program is personalized to fit your specific needs. Services can be purchased as a yearly membership or à la carte.

Tate Enterprises is a trusted partner and this is a great opportunity to let us take care of your work, so you can play.

Routine maintenance can:

- Prevent avoidable costly repairs
- Ensure key systems work when needed
- Reduce safety risks
- Maximize the value of your home
- Provide peace of mind
- Give you more free time

DESIGN • BUILD • REMODEL

Our program is effortless. You sign up and we take care of the rest. Visits are scheduled by us in advance for your services throughout the year.

Because this is a customized program to fit your home's specific needs, pricing will be determined after an in-home visit. Sign up for yearly service and receive one hour of free handyman service.
